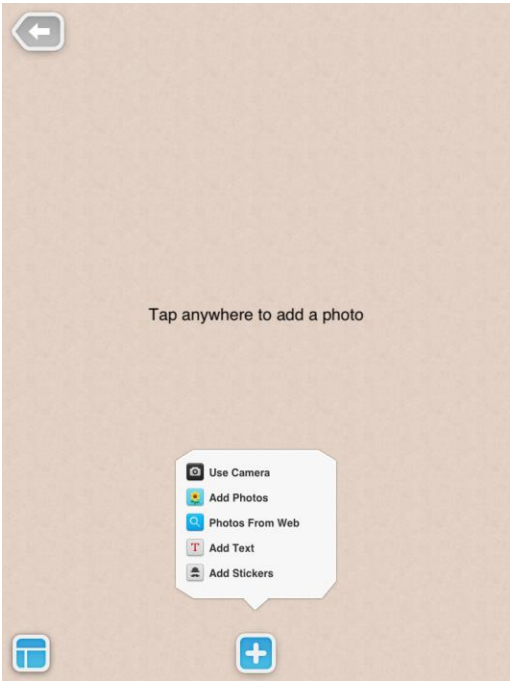
How to Add Words to Your Lock Screen Using Pic Collage

Download the free app Pic Collage and open it

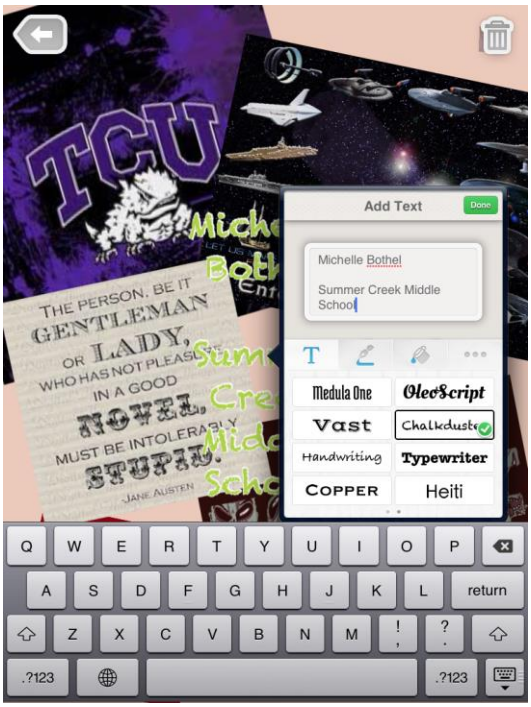


Click the + and add a photo you have saved on your iPad. This can be an image from the internet or a photo of yourself you have uploaded to My Big Campus and downloaded on your iPad.

Add a photo that represents you.

Or maybe lots of photos!

Click the + and add text.



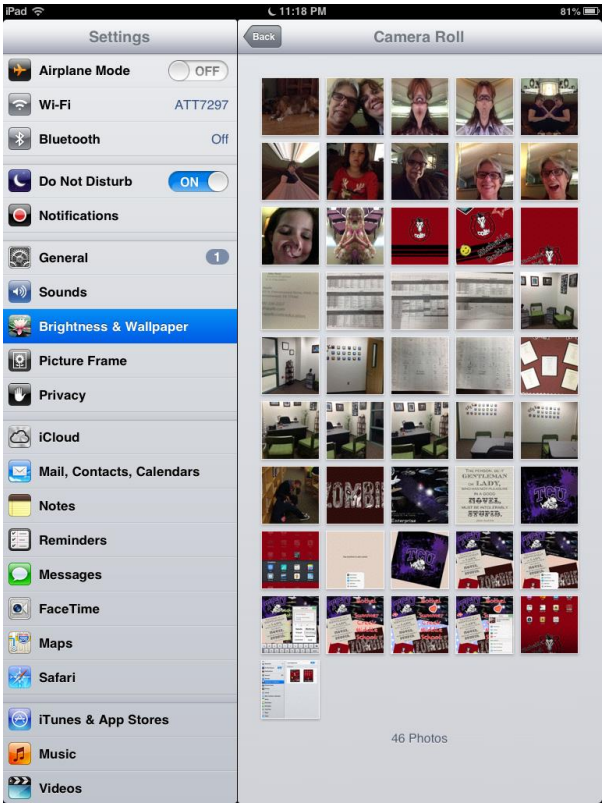
Make sure to type your full name and Summer Creek Middle School.

You can even change the background and add stickers in Pic Collage.

Now click the Share button and Save to Library.

Close Pic Collage and go to Settings.

Click on Brightness and Wallpaper. Then click on your current wallpaper pictures.



Choose the photo you saved.

Now set it as your Lock Screen. You can set it as your Home Screen too.
